Annex 5 | Overview of evaluation questions and evidence diagram

For each evaluation question, describe which combination of evidence (literature, experiential knowledge, and own data (school, organisation and system information)) you think is needed to answer the evaluation question.

Meeting 4			Meeting 5	
Evaluation question	**Evidence**	**Why do you believe this evidence to be relevant to the evaluation question?**	**What insights does this evidence provide?**	**Drawing on the insights from this evidence, what is the answer to the evaluation question?**
